MEMORANDUM OF DECISION

IN THE MATTER OF CLYDE H. MEANS

The Regional Review Committee, having reviewed matters related to the registration of Clyde H. Means hereby affirms the decision denying Mr. Means's registration in the Boy Scouts of America. We find that this action is appropriate, supported by the record before it and fully consistent with BSA standards of leadership.

Procedure dictates that, should an appeal be desired, a written request for appeal be directed to the National Council to: Chief Scout Executive, Boy Scouts of America, [REDACTED] [REDACTED] Irving, Texas 75015-2079. Application for a national review must be made in writing within thirty (30) days of receipt of this Memorandum and should explain why the applicant believes this decision to be in error.

MEMO TO FILE - by Richard Parker

3:00 p.m. - I had a long conversation with Mr. Means. Mr. Means was demanding a hearing. I advised him that we conduct a review and only the review committee could determine whether or not a hearing was necessary and, if the hearing were held, indeed he would have a chance to appear.

He was upset that we were operating outside the law. I advised him that we were not acting for the law; we were simply addressing an issue of membership in the Boy Scouts of America and we made no judgment of innocence or guilt. Local legal authorities would have to do that, should that be the case.

He repeated several times that Mr. Brundage had promised him a hearing. I suspect that there was confusion in the conversation with the words "review" and "hearing".

Mr. Means asked for my suggestions and I told him to feel free to send his side of the story in writing to us and feel free to have any associates who wish to comment send their comments to the review committee in writing.

He asked if there was an additional review step. I told him if he did not agree with the region's decision, he could appeal to the National Council, BSA.

Dear Mr. Means,

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that B.S.A. membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is concern that an individual may not meet the high standards of membership which the B.S.A. seeks to provide for American youth.

If you wish to have this decision reviewed by a B.S.A. regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the fact supporting your claim that your registration as a B.S.A. member should be reinstated. The procedures for a review of this decision are attached.

Sincerely,

Ronald Brundage
